UNIVERSITY SCHOOL OF ENGINEERING AND TECHNOLOGY

Executive Dean, Prof. Dr. H. P. S. Dhami

World Youth Skills Day Masterclass at LTSU: 15th July, 2024

An inspiring Online Masterclass on the theme "BRING OUT THE MORE IN YOU" was conducted for the students.

Esteemed Speakers:

Mr. Sanjai Ranganathan, Chief Executive, L&T EduTech

Mr. Akkaiah Janagaraj, Global Head - Cybersecurity Practice, LTIMindtree

Mrs. Jayanthi Anilkumar, Head - HR Shared Services, Larsen & Toubro

Meander Software Pvt. Ltd. in Mohali, Chandigarh: 1st August, 2024

2nd-year students visited Meander Software Pvt. Ltd. in Mohali, Chandigarh. The purpose of this visit was to provide the students with a real-world perspective on current market technologies, including Full Stack Development, Android & Web Development and Digital Marketing through live projects, industry professional interactions, and networking opportunities. Students gained valuable insights and enhanced their employability skills.

Student Orientation Program : 2nd and 3rd year Batch 2022/23: 12th August, 2024

The third-semester IBM CSE students of Lamrin Tech Skills University, embarked on a new chapter with an orientation session presided by Dr. H.P.S. Dhami, Dean, University School of Engineering and Technology, and led by Assistant Professor Meenakshi Sharma. The session was a powerful reminder of their potential and the exciting opportunities that lie ahead.

Janmashtami celebrations: 24th August, 2024

Students, faculty, and staff came together for a day of cultural activities, zeal, and exuberance. Devotional songs, captivating dance performances, and a thrilling 'Dahi Handi Matki Phor Competition' made it an unforgettable experience. Students from 20+ states studying at LTSU participated, celebrating unity in diversity. Winning team, B.Tech. IBM students 2023 batch, received Rs. 5100/- as prize money

Visit to Sri Anandpur Sahib: 1st September, 2024

Students visited the iconic Virasat-e-Khalsa and the revered Takht Shri Keshgarh Sahib Gurudwara. It was a day filled with enriching experiences, learning about the profound history and vibrant religious heritage of Punjab. From exploring the remarkable exhibits that showcased the state's glorious past to feeling the peace and spirituality at the Gurudwara, the students gained a deeper appreciation for our culture.

Student orientation Program : 1st year Batch 2024: 4th September, 2024

USET organized its Annual Student Orientation Program on September 4, 2024. The session covered essential topics such as academic advising, campus resources, and strategies for a thriving college experience.

Recognition and Awards: Talented IBM students who excelled in technical events like hackathons and skill competitions, published research papers and faculty members who attended the Faculty Development Program organized by IBM were awarded.

Interactive Workshops: Students engaged in various workshops and team-building activities designed to ease their transition into college life and foster new friendships.

Social Event: The day concluded with a relaxed and fun social gathering, allowing students to unwind and connect with their peers in a friendly setting.

Engineer's Day- 14th September, 2024

Engineer's Day was celebrated with immense zeal, bringing together esteemed guests and industry leaders from renowned organizations like Wipro and Tata. The event was a grand success, showcasing commitment to engineering excellence and fostering strong industry-academic ties.

Highlights of the Day:

Project Presentations & Ideathon: Students showcased innovative projects and prototypes, impressing the dignitaries.

Debate Competition: A lively discussion on engineering challenges and solutions.

Keynote Speakers: Ms. Mohita Chandiramani, Program Manager at Apple (Powered by Wipro) and Mr. Gaurav Kaushal Corporate Head of the Airbus Program at Tata Advanced Systems Limited (TASL), shared invaluable insights on the future of engineering and the importance of Industry 4.0 skills.

Chief Guest: Dr. Sandeep Singh Kaura, Chancellor of LTSU Punjab, delivered an inspiring speech on the role of engineers in shaping the future.

Interactive Q&A Session: Students engaged directly with experts, discussing internships, industry collaborations, and skills development.

Certificates were awarded to students excelling in technical events, and the event concluded with a heartfelt vote of thanks, celebrating LTSU's mission to produce industry-ready engineers.

Inquilab Festival at Khatkar Kalan on 28th -29th September, 2024

Inquilab Festival was organized at Khatkar Kalan on September 28-29, 2024, honoring the indomitable spirit of Shaheed Bhagat Singh. This dynamic event was a fusion of creativity, culture, and a powerful message of change.

Students of USET participated with full enthusiasm and dedication in honoring such an influential figure in our history.

L&T Edu Talk : Innovate & Elevate: 24th October, 2024

Dr. Akash Talwariya, Subject Matter Expert from L&T Edu Tech with extensive experience in Electrical Power Systems, Artificial Intelligence, and Smart Grid Technologies, shared key insight into the future of the field and the skills needed to excel in today's evolving industry.

He also discussed collaboration with L&T EduTech and how this partnership will provide students with opportunities to enhance their skills through hands-on training and industry exposure.

Fresher's Party : 18th October, 2024

SRIJANAM 2.0 Freshers' Party with vibrant cultural performances, energy-packed moments, and an electrifying DJ night welcomed the new batch of students with enthusiasm.

The event, organized entirely by the students with guidance from the USET faculty, was a resounding success. The presence of esteemed university dignitaries, including Chancellor Dr. Sandeep Singh Kaura, Vice Chancellor Prof. Dr. A.S. Chawla, and Pro Vice Chancellor Dr. Parvinder Kaur, added more excitement to the celebration.

The winners were:

- **Ms. Fresher** - Aahana
- **Mr. Fresher** - Bhavesh Jakhar
- **Best Emerging Talent** - Tabinda Naseem
- **Best Performance** - Ashutosh Kumar
- **Best Dressed Class** – Crypto (Students of Cyber Security, 2024 Batch)

Visit to Vermicomposting Site, STP and Orange Garden: 6th November, 2024

Students from B.Tech (CSE) IBM-3rd year along with Dr. Jayishnu Singla had an eye-opening experience visiting some amazing local sites that are making a difference in sustainability.

They explored:

1. Vermicomposting Project – Learning how worms are turning waste into nutrient-rich soil!
2. STP (Sewage Treatment Plant) – Getting hands-on with the future of water recycling!

CLUB ACTIVITIES

Marketing Club (Golden Hawks)

The Marketing Club (Golden Hawks) of the University School of Commerce and Management organized two engaging activities to enhance students' marketing skills and creativity.

- **13th September, 2024**, the club hosted the Creative Canvas Clash, a poster-making competition exploring themes of "The Power of Branding" and "Sustainable Marketing." Students showcased their creativity while addressing key marketing challenges, with their posters judged on creativity, relevance, clarity, and presentation.
- **28th September, 2024**, the Product Launch Simulation Activity offered hands-on experience in product marketing. Student teams conceptualized and launched hypothetical products, developing brand identities, crafting marketing strategies, and presenting plans to faculty judges. The activity simulated real-world scenarios, enhancing creativity, teamwork, and strategic planning.

Finance Club (Money Buddies)

- **16th October, 2024**, the Finance Club "Money Buddies" at USCM hosted activities to enhance financial awareness and investment strategies. The event featured games like "Number Ninjas," "Words On Board," and "Risky Ball," teaching risk management and decision-making. A skit on the Sahara scam emphasized the consequences of financial fraud and ethical practices. The event concluded with a Nukkad Natak exploring AI's transformative impact on the finance industry, highlighting its opportunities and challenges.
- **14th November, 2024**, the Finance Club celebrated Children's Day with a lively financial event titled "Money Matters Mela – Learn, Earn, Fun." The event aimed to provide students with a platform to showcase their entrepreneurial, marketing, and money management skills, while also promoting the use of digital payments. The mela featured a variety of creative stalls, including food stalls and the exciting games stall, "Luck Junction," which added fun to the event. These stalls provided students with hands-on experience in managing finances, marketing strategies, and digital transactions.

HR Club (Hire Hunters)

18th October, 2024

HR Club "Hire Hunters" organized an interactive 'HR Activity' event focused on team-building and professional skills. The event featured two key activities: "Back-to-Back Drawing" and "Helium Roll". In Back-to-Back Drawing, participants worked in pairs to create an artwork, with one describing and the other drawing without seeing the original, fostering creativity and communication. In Helium Roll, teams coordinated to keep a roll from touching the ground using only their fingers, emphasizing teamwork and precise coordination. Both activities showcased teamwork, problem-solving, and communication skills.

IT Club (Technical Junkies)

25th October, 2024

A dynamic logo-making event 'Brand Identity Bash' – Logo Making Competition was organized by the IT Club. The event aimed to inspire creativity and showcase students' technical and artistic skills in logo design. The event encouraged artistic expression and innovative thinking while celebrating diverse design approaches. Students created logos within a set timeframe, which were later evaluated by a panel of esteemed faculty members, with each logo reflecting creativity and the essence of various brands and themes.

UNIVERSITY SCHOOL OF POLYTECHNIC

Head, Er. Mandeep Singh Atwal

Orientation Program: 14th August, 2024

Orientation Program was designed to welcome new students and familiarize them with the school's environment, policies, and academic offerings. Head (USOP) and faculty members shared valuable insights to help newcomers acclimatize to university life and set the stage for a successful academic journey.

LTSU PUNJAB IN SPOTLIGHT

Lamrin Tech Skills University Punjab Clinches Gold in 10,000m Run at All India University Athletics Championship

NAIROSHINI

Chandigarh, 29 December (Ajay Puri): In an outstanding display of athletic prowess, Mr. Shubham Baliyan, a student from the Sports Department of Lamrin Tech Skills University Punjab, has secured the Gold Medal in the 10,000m Run event at the All India University Athletics Championship being hosted at Kalinga Institute of Social Sciences (Deemed University) Odisha. Revealing the information Dr Rajiv Mahajan Registrar LTSU Punjab said this remarkable achievement has propelled Lamrin Tech Skills University Punjab to the top rank among 192 participating universities from across India. We are incredibly proud of Mr. Shubham Baliyan's outstanding performance, which is a testament to his dedication, hard work, and the exceptional training provided by our Sports Department. Dr. Sandeep Singh Kaura Honorable Chancellor, Lamrin Tech Skills University Punjab congratulated the sports department and said this achievement not only brings glory to our university but also inspires our students to strive for excellence in their respective fields.*

The university community congratulates Mr. Shubham Baliyan, the Sports Department, and the entire LTSU family on this remarkable achievement, which reinforces the university's commitment to fostering academic and extracurricular excellence. Lamrin Tech Skills University Punjab is a premier institution dedicated to providing world-class education and promoting excellence in various fields, including sports.

Inauguration of WCTA International Training Centre at Lamrin Tech Skills University, Punjab,

*Hoshiarpur/Daljeet Ajnaha/Sept.3
In the landmark event on the occasion of International Sports Day, Lamrin Tech Skills University (LTSU), Punjab, proudly inaugurated the first-of-its-kind WCTA International Training Centre. The inauguration of this centre marks a significant milestone in the advancement of sports training in India, offering a world-class platform to nurture the next generation of taekwondo champions.

The event was graced by the presence of two-time Olympian and acclaimed World Champion, Patrycja Adamkiewicz, who co-founded WCTA India, along with Shivam Tyagi, renowned international taekwondo player, member of the Indian national team & Founder and Director of WCTA India. Their participation not only highlighted the event, but also brought a spirit of sportsmanship and excellence that inspired all attendees. In addition to the esteemed chief guests, the inauguration was attended by Mr. Aman Kumar and Mr. Rahul Rana, officials from WCTA India, alongside Dr. Rajiv Mahajan, Registrar of LTSU, and Mr. Satbir Singh Bajwa, Joint Registrar.

Speaking on the event Mr. Bajwa highlights that the WCTA International Training Centre at LTSU will serve as a premier platform where both national and international taekwondo players can receive training from internationally renowned coaches. This facility is set to provide athletes with the opportunity to hone their skills under the guidance of the best in the field, ensuring they meet the highest standards of competitive excellence. The Assistant Director, Ram Mehar Singh, from the University School of Physical Education and Sports, Deans and Directors of all the university schools along with the entire sports team and coaches, were also present, further emphasizing the event's importance. The Students from the various sports and academic departments also witnessed the grand event.

Equipped with cutting-edge facilities and state of the art infrastructure, the centre is set to provide unparalleled opportunities for aspiring athletes, ensuring they receive the highest standards of training and mentorship. This initiative not only aims to enhance the sports ecosystem in India but also to foster a new generation of sports champions who can compete at the highest levels globally. Together, LTSU and WCTA India are committed to transforming the landscape of sports training, making world-class facilities and expertise accessible to athletes across the nation.

Lamrin Tech Skills University Punjab: Pioneering Excellence as India's First University with NCVET Dual Status

Chandigarh, 20 December (Ajay Puri) In a landmark achievement, the National Council for Vocational Education and Training (NCVET) has granted Awarding Body (Dual) status to Lamrin Tech Skills University (LTSU), Punjab. The agreement, marks a historic milestone as LTSU becomes the first university in the Punjab region to receive this prestigious recognition. The agreement was formalized between Dr. Rajiv Mahajan, Registrar, LTSU Punjab and Col Santosh Kumar, Secretary to the Council cum Director NCVET in the presence of Sh. Atul Tiwari, Secretary, Ministry of Skill Development & Entrepreneurship, Govt of India and Dr. Sandeep Singh Kaura, Chancellor Lamrin Tech Skills University Punjab. Other dignitaries present included S. Satbir Singh Bajwa Joint Registrar, Er. Mandeep Atwal and officers from NCVET. Through its new status as an Awarding Body, LTSU will be eligible to award, assess and certify the learners where training

is directly being imparted by the awarding body in campuses or training centres owned or fully managed by it for its approved or adopted qualifications. LTSU's programs under this initiative aim to empower students to achieve success in a globalized world by maintaining the highest standards of excellence across a wide range of trades. Through its new status as an Awarding Body, LTSU will promote high-end, short-term courses tailored to industry demands and National Skills Qualification Framework (NSQF)-aligned certifications. Dr. Sandeep Singh Kaura, Chancellor LTSU Punjab

emphasized that qualification drafted or adopted by LTSU will help young workforce to get skilled training leading to decent employment in India and abroad. The focus will be to upskill youth of Punjab as per the requirement of the foreign countries so that they can full fill their dreams to work overseas through legal pathways and saving them from unscrupulous agents. Sh. Atul Tiwari, Secretary Ministry of MSDE highlighted the importance of this achievement and stated that this dual status of awarding and assessment body will undoubtedly elevate the standard of skilling.
